

If a side access garage best suits you and your section, this four bedroom home does it well! Inside, there's one good sized living and a separate media room directly off the foyer. The kitchen includes a scullery, there's potential for an outdoor kitchen bar and pulling the roof over for a full covered outdoor living space!

Floor Area: 199m<sup>2</sup>  2  4  2  2  21.1m  14.7m
